📍 Jammu & Kashmir India

SUMMARY

Front-End Developer with an ability to collaborate effectively with senior developers while spending extra time to be mentored. Enjoy working closely with team members to ensure workloads are effectively redirected to bottlenecks and personally picking up the slack when necessary. With a passion for both personal growth and for web development, I spent 2000+ hours to learn new languages while sharpening my existing skills Ready to apply my passion for coding to a talented engineering team to develop quality solutions.

SKILLS

HTML   CSS   Bootstrap   Javascript   JQuery   React   Github   GIT   SASS   API   Figma

Axios
